You might think I'm crazy to hang around with you
Maybe you think I'm lucky to have something to do
But I think that you're wild, Inside me is some child

You might think I'm foolish, Or maybe it's untrue
You might think I'm crazy, But all I want is you

You might think it's hysterical, but I know when you're weak
You think you're in the movies, and everything's so deep
But I think that you're wild
When you flash that fragile smile

You might think I'm foolish, What you put me through
You might think I'm crazy, But all I want is you

And it was hard, so hard to take
There's no escape without a scrape
But you kept it going 'til the sun fell down
You kept it going

Well, you might think I'm delirious the way I run you down
But somewhere sometimes, when you're curious, I'll be back around
Oh, I think that you're wild
And so uniquely styled

You might think I'm crazy, This chancy rendezvous
You might think I'm crazy, But all I want is you
