**[VERSE]**

Time to change has come and gone  
Watched your fears become your God  
It's your decision  
It's your decision

Overwhelmed, you chose to run  
Apathetic to the stunned  
It's your decision  
It's your decision

**[CHORUS]**

You feed the fire that burned us all  
When you lie  
To feel the pain that spurs you on  
Black inside

**[POST CHORUS]**

No one plans to take the path that brings you lower  
And here you stand before us all and say it's over  
It's over

**[VERSE]**

It might seem an afterthought  
Yes, it hurts to know you're bought  
It's your decision  
It's your decision
